

Identity Theft Victim Complaint Data

Figures and Trends In Alabama

January 1- December 31, 2003

*Federal Trade Commission
Washington, DC*

Figure 1
How Victims' Information Is Misused¹
January 1 – December 31, 2003

¹Percentages are based on the total number of victims reporting: 1,823 from Alabama and 214,905 from all locations. Percentages add to more than 100 because approximately 21% of victims from Alabama and 19% of victims from all locations reported experiencing more than one type of identity theft. All victims reported experiencing at least one type of identity theft.

²Includes fraud involving checking and saving accounts and electronic fund transfers.
